

Man-Tra-Con Corporation is working with a local employer to fill the following position:

Job Title: Heavy Equipment Mechanic (DK-040815-02)

Location: Mt. Vernon, Illinois

Salary: \$12.00 to \$14.00 per hour, D.O.E.

Job Description

Candidate will be responsible for diagnosing faults or malfunctions and determining needed equipment repairs. This is a full-time position. Benefits include medical, dental, vision, 401K, vacation and holiday pay.

Primary Responsibilities

- Properly repair outgoing machinery and parts.
- Inspect machines or heavy equipment to diagnose defects.
- Diagnose faults or malfunctions to determine required repairs
- Dismantle and reassemble heavy equipment using hoists and hand tools.
- Ability to work on hydraulic and pneumatic systems
- Clean, lubricate, and perform other routine maintenance work on equipment.
- Examine parts for damage or excessive wear.
- Maintain and secure work tools.
- Clean and maintain work area.
- Turn off and lock out equipment when not in use.

Additional Responsibilities

- Order tools and machinery inventory parts.
- Accurately account for all time spent per job.
- Keep work area clean including shop floor.
- Other duties as assigned

Equipment

- Ability to properly use hand tools

Knowledge and Skill Requirements

- Basic reading, writing, and arithmetic skills required. This is normally acquired through a high school diploma or equivalent.
- Ability to read and interpret diagrams, blueprints and assembly prints.
- Ability to lift up to 50 pounds required

Working Conditions

Working conditions are normal for a shop environment. Work involves frequent lifting of materials up to 50 pounds. Machinery and tool operation requires the use of safety equipment to include but not limited to; eye safety glasses, hearing protectors, steel-toe boots. Loose fitting clothes and jewelry should not be worn.

Requirements
